

# Trip-Specific Risk Acknowledgement

Adult participant template | Version 1.0 | Complete event fields and delete unused risk modules before sending

**PLEASE READ BEFORE SIGNING. THIS DOCUMENT ADDS EVENT-SPECIFIC RISKS TO THE GENERAL CLUB PARTICIPATION WAIVER. THE GENERAL WAIVER'S ORDINARY-NEGLIGENCE RELEASE REMAINS RELEVANT TO THIS EVENT, TO THE EXTENT THE LAW PERMITS.**

Event name: [specific trip name]

Dates and destination(s): [dates, route, country/province]

Main activities: [specific activities, including optional activities]

Travel and accommodation arrangements: [who operates and contracts for each material service]

Provider(s) and instructor/guide role: [names and services, if known]

Event information / packing list version: [link or version/date]

General Club Participation Waiver version accepted: [version and date]

## 1. Specific activity and limits of supervision

I have reviewed the event description, itinerary, equipment and experience requirements, and the risks selected and completed below. I understand that the actual route, conditions, and activities may change for safety or operational reasons. UTETC is student-run; a Club organizer is not a substitute for a qualified instructor, guide, driver, medical provider, or emergency service. I will follow the safety briefing and the instructions of any qualified provider. I may decline an optional activity or stop participating, while taking reasonable steps to avoid creating a risk to others.

## 2. Event-specific risks — organizer to keep only relevant modules and add concrete details

**Skiing / snowboarding (delete if not applicable).** Falls and collisions with people, trees, lifts, terrain, or equipment; changing snow, ice, visibility, and weather; altitude and cold exposure; serious head, spine, or other injury. Terrain, lessons, lift tickets, helmet rules, and resort terms: **[complete]**.

**Camping / hiking (delete if not applicable).** Uneven trails, remote terrain, weather exposure, hypothermia or heat illness, campfire/stove burns, wildlife or insects, food and water hazards, equipment failure, limited communications, and delayed rescue. Route, site, expected conditions, fire rules, and required gear: **[complete]**.

**Canoeing / kayaking / other water activity (delete if not applicable).** Capsizing, immersion, drowning, cold water, currents, wind, weather, water depth, obstacles, and delayed rescue. Waterbody and route, swim/experience requirement, lifejacket/PFD rule, guide and rescue arrangements: **[complete]**.

**ATV / snowmobile or other motorized recreation (delete if not applicable).** Collision, rollover, ejection, speed, trail and ice conditions, equipment malfunction, exposure, and injury to a passenger or bystander. Operator, vehicle type, licence/age/experience requirements, protective gear, passenger rules, and provider waiver: **[complete]**.

**International or out-of-province travel (delete if not applicable).** Different road, health, environmental, political, and legal conditions; border and entry requirements; communication barriers; interrupted transport; limited medical care; evacuation or repatriation costs. Countries/regions, official travel-advisory date, entry-document responsibilities, provider roles, medical/evacuation insurance requirements, and emergency contact plan: **[complete]**. Ontario governing-law wording in the general waiver may not control mandatory law elsewhere.

**Other material risks or changes (complete for every event).** [Describe concrete hazards unique to this trip, including private carpool or hired transport, accommodation, weather season, accessibility constraints, and any significant activity added after the original invitation.]

## 3. Safety and personal readiness

I will meet the stated prerequisites, use required protective equipment, disclose material safety needs through the Club's private process, follow briefings and lawful provider instructions, and tell an organizer promptly if a condition or my ability to participate changes. I understand that communications or emergency response may be delayed. I will review any separate provider agreement before taking part in a provider-run activity. UTETC's coordination does not guarantee the provider, weather, transport, or outcome.

#### 4. Relationship to the general waiver

This acknowledgement supplements, and does not replace, the General Club Participation Waiver identified above. It records my understanding of the risks of this named event. Any release of claims, including claims involving ordinary negligence, is only the release stated in the general waiver and only to the extent applicable law permits. This document does not release an independent third-party provider or the University of Toronto. It does not waive non-waivable rights.

#### 5. Adult participant acknowledgement and signature

**I confirm that I am at least 18 years old, have read the completed event details and every retained risk module, understand the relationship to the general waiver's highlighted release, have had an opportunity to ask questions, and voluntarily choose to participate.**
